

# Online Certificate Course in Psychopharmacology

CME Recorded Lecture Replay\* (via Zoom)

This Course will be a webinar series, based on the lectures delivered in the highly successful 2019 Certificate Course in Psychopharmacology conducted by CINP and the Institute of Brain Medicine. The three speakers, Professors Pierre Blier, Joseph Zohar and Siu Tang, will lead discussions to update their 2019 lectures in these webinars. Participants will learn the recent progress in neuropsychopharmacology and have the opportunity to interact with the three world renowned professors in the field of neuropsychopharmacology.

Institute of  
BRAIN MEDICINE
